

Building the Kingdom Through
AFRICAN PRAISE®

We hope that you have enjoyed this glimpse of our brothers and sisters in East Africa and the fruitful ministry work that God has blessed us to begin in His vineyard there. We believe that the life of any disciple of Jesus Christ who partakes in a mission trip to Rwanda will forever be touched and changed by the fervent praise and spirit of anticipation that runs so deeply in this vibrant people.

We also pray that you will consider helping in this great initiative of bringing love and peace through the gospel of Jesus Christ to the most densely populated country on the African continent.

Please make your tax deductible charitable contribution today, and share

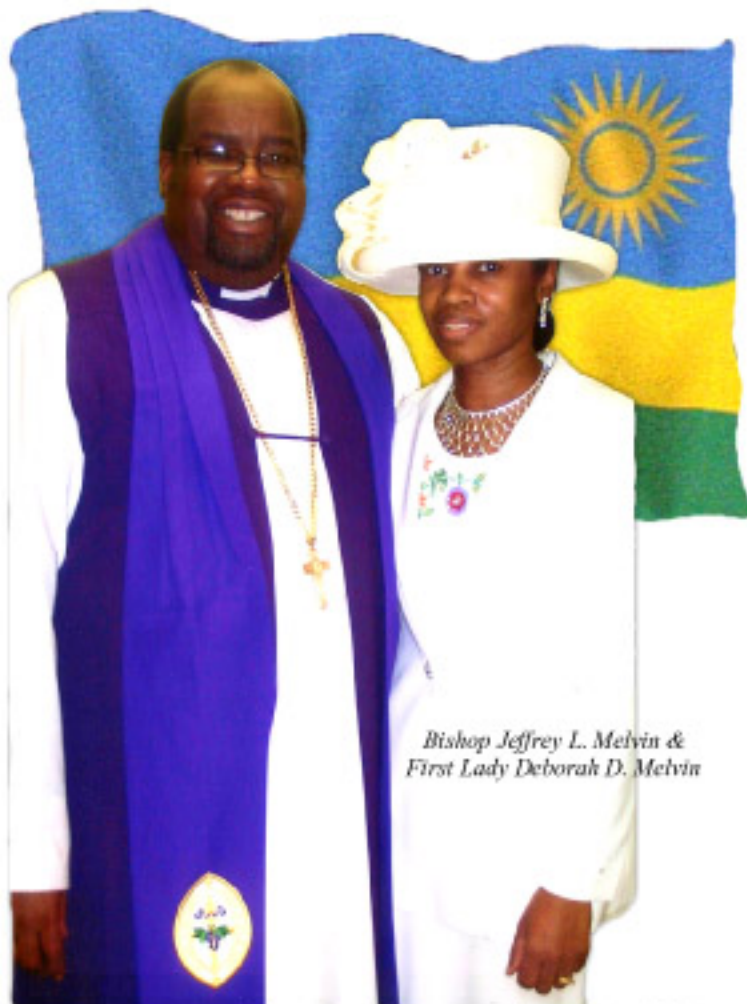

with us in building God's kingdom through African Praise. If your ministry does not currently have a missions program, please prayerfully consider partnering with the Rwanda, East Africa Jurisdiction.

May the blessings of God be upon you in 2008 and evermore.
